Report on the Financial Statements

We have audited the accompanying financial statements of Big Brothers Big Sisters of Victoria Capital Region, which comprise the statement of financial position as at June 30, 2017, the statements of operations, changes in net assets and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained in our audit is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Big Brothers Big Sisters of Victoria Capital Region as at June 30, 2017, and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Report on Other Legal and Regulatory Requirements

As required by the Societies Act (British Columbia), we report that, in our opinion, the accounting policies applied in preparing and presenting the financial statements in accordance with Canadian accounting standards for not-for-profit organizations have been applied on a basis consistent with that of the preceding period.

BIG BROTHERS BIG SISTERS OF VICTORIA CAPITAL REGION

Notes to Financial Statements

Year ended June 30, 2017

Big Brothers Big Sisters of Victoria Capital Region (the "Society") is incorporated under the Society Act of British Columbia and is a registered charity under the Income Tax Act. On November 28, 2016, the new Societies Act (British Columbia) became effective. The Society has until November 28, 2018 to transition to the new act. The Society strives to recruit, screen and train volunteer mentors for children identified within the community who are vulnerable and in need of additional support. Mentored children have improved self-esteem, enhanced relationships within the classroom and community, improved social and academic development and increased ability to make healthy decisions. Risk and harm reduction is evident and the cost/benefit to community is significant. The intent is to spark a relationship that will endure while offering support and safety through a relationship based on friendship.

1. Significant accounting policies:

The financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations and include the following significant accounting policies:

(a) Basis of presentation:

Operations reports revenue and expenses related to program delivery and administrative activities.

The Donation Centre reports revenue and expenses related to the coordination and pick up of donated items. All of the funds raised through this social enterprise are invested in support for mentoring programs.

(b) Contributed materials and service:

Donated materials and services are recognized in the financial statements when a fair value can be reasonably established and when the materials and services are used in the normal course of operations and would otherwise have been purchased.

Volunteers contribute time and expertise across the Society's operations. Because of the difficulty of determining their fair value, contributed services are not recognized in the financial statements.

BIG BROTHERS BIG SISTERS OF VICTORIA CAPITAL REGION

Notes to Financial Statements (continued)

Year ended June 30, 2017

1. Significant accounting policies (continued):

(c) Revenue recognition:

The Society follows the deferral method of accounting for contributions.

Restricted contributions are recognized as revenue in the period in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

(d) Capital assets:

Capital assets are recorded at cost. Contributions of capital assets are recorded at fair value at the date of contribution.

Amortization is provided over the estimated useful lives of the assets, using the following rates:

Asset	Basis	Rate
Furniture and fixtures	Declining balance	20%
Computer	Declining balance	30%
Leasehold improvements	Straight-line	lesser of useful life and remaining lease term

When a capital asset no longer has any long-term service potential to the Society, the excess of its net carrying amount over any residual value is recognized as an expense in the statement of operations.

(e) Financial instruments:

Financial instruments are recorded at fair value on initial recognition. Equity instruments quoted in an active market are subsequently measured at fair value and all changes in the fair value are recognized in operations in the period incurred. All other financial instruments are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value. The Society has not elected to carry any such financial instruments at fair value.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method.

BIG BROTHERS BIG SISTERS OF VICTORIA CAPITAL REGION

Notes to Financial Statements (continued)

Year ended June 30, 2017

1. Significant accounting policies (continued):

(e) Financial instruments (continued):

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Society determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the Society expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future period, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

(f) Use of estimates:

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. Actual results could differ from those estimates.

2. Term deposit:

Term deposit is a cashable guaranteed investment certificate bearing interest at 0.95% (2016 - 1.05%) and maturing on April 16, 2018. This term deposit has been assigned as security for the operating line of credit (note 4).

Central Credit Union Basic Rate and is secured by a term deposit (note 2). The rate as at June 30, 2017 was 2.70% (2016 - 2.70%). As at June 30, 2017, nil (2016 - \$6,790) was drawn on the operating line of credit.

Closing balance	\$ 134,683	\$ 116,662

6. Commitments:

The Society is leasing its premises under a lease expiring May 31, 2018. Future minimum lease payments exclusive of occupancy costs will aggregate \$38,500 (2016 - \$80,500).

The Society entered into a five year lease agreement to lease three trucks expiring September 1, 2018. The future minimum lease payments associated with the lease will aggregate \$46,550 (2016 - \$86,450). The lease agreement stipulates that the Society guarantees the residual value of each truck at the termination of the lease. Management is aware of the provision but is unable to reasonably estimate the potential remediation expense related to the guarantee of residual value.

7. Financial risk management:

The Society's financial instruments include cash, term deposit, accounts receivable, bank indebtedness, and accounts payable and accrued liabilities.

It is management's opinion that the Society is not exposed to significant interest, currency or credit risks arising from its financial instruments. The Society manages its liquidity risk by monitoring its operating requirements. The Society prepares budget and cash forecasts to ensure it has sufficient funds to fulfill its obligations. There has been no change to risk exposures from 2016.

(a) Victoria Foundation:

In 2016 the Society transferred \$7,500 to the Victoria Foundation to create an endowment fund, the Big Brothers Big Sisters of Victoria Fund, to be held and managed in perpetuity by the Victoria Foundation. These funds were matched by the Victoria Foundation. The fund market value at June 30, 2017 was \$16,600 (2016 - \$15,000). There have been no distributions received from the fund to date. Future distributions from the fund by the Victoria Foundation will be made in consultation with the Society and recorded as revenue.

(b) Vancouver Foundation:
